The future of travel is now! In a new take on traditional volunteer vacations, [Sweet](#), a lesbian travel company known for its eco-friendly and carbon-free vacations, is offering passengers on its [November 2009 Caribbean cruise](#), a three-day pre-cruise exploration of New Orleans - with a very cool twist.

During their time in the Big Easy, travelers have the opportunity to participate in [Bayou Rebirth's](#) replanting project with where they will spend a few hours replacing native species and learning about the bayou's fragile ecosystem.

It's an incredible unique opportunity and, best of all, all carbon from this excursion is offset with [CarbonFund.org](#).
