

# sweet's western caribbean: NOT YOUR MOTHER'S LESBIAN CRUISE

**IMAGINE SITTING POOLSIDE ON AN ELEGANT CRUISE SHIP,** sipping a delicious cocktail with beautiful women everywhere. Live that dream aboard the Norwegian Spirit on the Sweet Caribbean Cruise, Nov. 8-15, 2009.

Sweet's Western Caribbean cruise visits several exotic Caribbean ports such as Roatan, Honduras; Costa Maya, Mexico; Cozumel, Mexico, and Belize City, Belize. Each port offers an array of fun-filled activities, from scuba diving and snorkeling to visiting ancient Mayan ruins or shopping and dining in local villages.

The Caribbean offers clear, warm turquoise waters, ideal for underwater exploration. Belize is home to the world's second largest barrier reef and is one of the most popular destinations for scuba diving and snorkeling.

Other guests may be drawn to ancient ruins. In Costa Maya, guests can visit the world famous Kohunich site, which covers 21 acres of lush tropical rainforest.

Sun worshippers rejoice! Sweet's cruise features some of the most stunning and pristine beaches in the world with clear, warm water year round.

Your time on board is non-stop revelry with nationally renowned lesbian performers, like comedian Suzanne Westenhoefer; award-winning singer-songwriters Jen Foster and Edie Carey; and "Last Comic Standing" semi-finalist Erin Foley.

Club Skirts, the country's largest lesbian party promoter and organizers of The Dinah Shore Weekend, will host on-board parties. Sweet is bringing four popular DJs from all over the world, DJ Dirty Kurty from San Diego, DJ Trina J from Denver, DJ Kathy V from Los Angeles and Disco Bambina from Paris.

The uber-popular AfterEllen.com vloggers, Natalie Garcia and Meghan Hall, host "Nat & Meg's Sweet Adventures" on board. Balancing fun while also maintaining social consciousness and environmental awareness is at the heart of Sweet's mission.

"It's part of our culture and our corporate mission to get involved in projects that help to protect the environment and give back to communities in need," Wentworth said. "Helping the communities we visit during the cruise gives Sweet guests a chance to experience the fulfillment of making a positive contribution."

Throughout Sweet's weeklong cruise, guests can choose to participate in a variety of volunteer-oriented and eco-tourism activities. Projects may include helping to paint a village school, cleaning up a beach, planting a community garden or restoring a natural wildlife habitat.

Prior to departure, Sweet offers a three-day land package in New Orleans where approximately 100 guests have an opportunity to learn more about the city's history, enjoy the vibrant nightlife and help restore the wetlands devastated by Katrina.

As is all this doesn't sound like the perfect dream, even more dreamy, in this harsh economic climate, is Sweet's totally free monthly payment plan and affordable pricing. Shannon Wentworth, Sweet CEO and founding partner, created an interest-free, fee-free monthly payment plan, which means that you can book a Sweet cruise now and make monthly payments on your dream vacation.

"We aspire to be Sweet in everything we do," Wentworth said. "Extra fees, hidden charges, fine print, those things aren't sweet so you won't find them at Sweet."
